Introduction

I'm Gabriel Josiah Pinera Asuncion, a College Graduate with a Bachelor of Science in Information Technology with experience in designing User Interface Utilizing the adobe software suites, Expertise in Various Programming languages, and eagerness to learn modern technology in the field of IT.

Experience

iTWORKS Global Solutions, Pasig
Asst. Design Executive to Programmer/Developer
November 2019 - July 2020

Design Mockups/Prototypes based on Clients Description and assistance for the Design Team and Developer Team by providing website contents and design elements, and taking quick/minor revision tasks.

Projects

Created/Redesign website mockups based on our marketing team and the client signed contract before proceeding to the development in the first 3 months in iTWorks Global Solutions.

Design various artwork for the Facebook/Campaign ads such as regular/boosted post artworks, Optimizing Facebook updates, and make animated/slide show short videos.

Education

Technological Institute of the Philippines, Cubao Q.C.
Information Technology
June 2015 - October 2019

Studied various programming languages that focus on User Experience Design(UXD) and Mobile Development.
